The Official Publication of
THE NEW JERSEY EXONUMIA SOCIETY

Issue No. 3

1981

PRESIDENTS REPORT

Where does the time go ? It seems such a short time ago, we were at Cherry Hill, struggling to get the N.J.E.S. organized. Well, 1981 finds us gaining in recognition, our membership is fast approaching the 100 mark and our organization is now viable. THANKS to you all for making this come about.

I'M very pleased to announce that the Society has presented Mrs. Damia Francis with an Honorary Life Membership (#1). To those of you who don't know of Mrs. Francis, she is the Grand Lady who pioneered the listing of New Jersey exnumia in TAMS Journal, with her first listing in 1969. I feel that her monumental work kindled the latent interest of New Jersey exnumia, that was within those of us who are now such avid collectors. Thank you Damia, for your efforts in promoting New Jersey and its varied exnumia.

In closing, may I wish you all and your loved ones, a happy, rewarding and peaceful New Year, and to our many new members, a hearty welcome.

Fraternally yours,

al zaika

JACK & PEG WILCOX report another Cigar Cutter for our listing. There is a Isaac Shoenthal listed from Orange as a Mfr. Cigars in the Dun-Bradstreet directory of 1919-1920.

Jack also reports that the GARDEN STATE PARKWAY would undertake a feasibility study to determine if motorists be allowed to use tokens instead of coins - So we may get a new Transportation token for our collection.

PRESIDENTS REPORT

The N.J.E.S. has now passed the 100 mark in memberships. Thanks to all who helped bring this about. A hearty, New Jersey welcome to our newest members.

With Winter about gone and the advent of Spring, the election of officers will be upon us in a few months. Nominations for the office of President, Vice President, Treasurer and Secretary are now open and should be sent to Secretary Dennis Tilghman. Everyone should give serious consideration to these nominations. This is your organization, so why not take an active part in its activities ?

Do you have an unusual, or rare piece of EXONUMIA ? If so, let us hear about it. A short description, rubbing or photo is all that Editor Patterson needs to fit it into one of the Jerseyana issues.

Cabin Fever got you down ? Hang in there, all the great flea markets will be opening soon. Hope to see many of you there.

PRESIDENTS REPORT

In a few weeks the N.J.E.S. will hold its First Annual Meeting, in conjunction with the G.S.N.A. Convention in Cherry Hill, N.J. Our meeting will take place on Saturday, June 13, at 1 P.M. The room designated for the meeting will be posted on the activities bulletin board.

I'm looking foward to this milestone for our Society and the chance to meet with old friends and those of you who I know by name only. This has always been the highlight of my attendance at these affairs and I'm positive that many of you have found this to be a very rewarding experience also.

If you have any duplicate tokens, medals or other exounumia, bring them along. This will be an opportune time to trade, or sell them off and add some wanted items to your collection. I urge you all to make an extra effort to take part in our initial meeting and hope to see a great many of you there.

Best regards,

Al Zaika

A NEW JERSEY MILK TOKEN SUCCESS STORY
By Jack Wilcox NJES# 012

Damia Francis listed a Ludlow Black milk token in her first supplement of NJ Tokens (TAMS Journal/August 1969). Milk tokens hold a special interest seeing I was a milkman before being drafted in 1941, so I thought perhaps a letter request mentioning this might help turn up this token. I wrote enclosing a SASE on March 4, 1970 and rec'd a reply June 4, from Wm. Black which stated as follows: "Sorry to keep you waiting. I have a whole box of these checks but can't find them. Here are three if any good to you. Ludlow Black was my father, for more details if up this way stop in I'll give more details." (Postage was only 6¢ then !)

Naturally I sent back a thank you and wrote I would drive up to visit. On June 23rd I drove up with my daughter Jackie. The only address I had - R.F.D.#1 Branchville which is located at the top of our state. We asked at the local P.O. for complicated directions to the Black farm. "Black top fork left, mile on fork left again, second to right dirt road turn left on dirt lane to Harmony Ridge Camp Ground first farm you see." After a few wrong turns we finally found the farm, which must be well over a hundred years old.

As we drove in we were met by four huge barking dogs, I debated leaving the car when Mr. Black appeared to hush these brutes. After we introduced ourselves Bill supplied the information on the Ludlow Black milk tokens that you can find in TAMS Journal Dec/1971, which reads: "In 1913 Ludlow Black began a milk route at Culver Lake which he continued until 1925-1926. The earliest chits were cardboard printed red. They wore out quickly and were replaced with metal tokens. Mr. L. Black died in 1954."

Bill explained how the tokens were sold in advance and left with the empty milk bottle early in the morning. Next he said "I know there are tokens somewhere about", taking Jackie and I into his old tractor shed. Feeling along several of the beams, he unearthed about six tokens and gave them to me. He said he was sorry no cardboard chits survived. My visit turned up a second variety of this interesting token.

Finding tokens with letters doesn't always work but it can prove to be rewarding when it does. I thought perhaps this success story might be of interest. I've had luck obtaining tokens with letters before when postage wasn't as high as it is now. Sorry to say no duplicate of Mr. Black's milk tokens are left, remember this all happened over ten years ago.

Rev. GOOD FOR/ONE QUART/OF MILK
32mm Alum.

ATTENTION!

LAST CALL FOR LOGOS If you are working on one please send it in or bring it to our meeting. If you can't make the meeting and you seen one you liked please send in your vote for it.

Jerseyana collectors - You can add at least 9 different Jersey items to your collection if you attend the convention. One Elongated, Two medals, 4 Wooden Nickels plus a few personal tokens have been issued for the convention.

BY-LAWS - A set of By-Laws is being drafted by the officers and an outline of them will be available at the meeting for your inspection.

Above is an old type Business Card by William H. Penn & Alfred H. Grant, dealers in General Merchandise. Although no tokens are known to be issued from them, old checks (Dated 1907) drawn on the First National Bank of Barnegat, NJ are in collectors' hands.

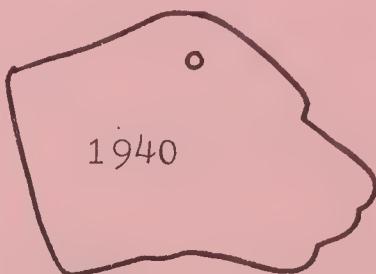

DOG TAGS by Gary Patterson

WANT A CHALLENGE ? Try to assemble a collection of one dog tag from every municipality in the state (well over 500). Here are just a few from my collection of odd shapes you will run across.

The Bayonne tag is interesting as it is made of Cardboard rather than the usual brass (most likely because of the war). You can pick many up from your friends/neighbors - but the older, low numbers and odd shapes tags can run you anywhere from 25¢ to \$3. and up.

These large Plastic Disks are beginning to show up. The above is from Ocean County College. The Deborah Hospital, Browns Mills (1981) and the Picatinny Arsenal, Dover NJ (1975) have issued them also. They are very colorful and make a nice addition to any Exonumia collection.

HAT & COAT CHECK from the Lobster Shanty Restaurant Toms River, NJ Red with White Letters. Issued in 1980

Ed Dence R-092 sent in a rubbing of the above Key Tag. Rt. 25 is now Rt. 1 & 9, which makes the Tag somewhere around 25-30 years old.

PRESIDENTS REPORT

Over thirty members attended our First Annual Meeting in Cherry Hill last month. This excellent attendance, far exceeded my expectations and was very gratifying to me. Thanks to each one of you for honoring us with your presence. I'm sure you all enjoyed it as much as I did.

A million thanks also to Archie Black and the G.S.N.A. for once again providing us with the meeting room, publicity and other courtesies extended to the N.J.E.S. This assistance was an important factor for the success of our meeting.

Some of the business accomplished at the meeting is as follows: No nominations were received for the election of officers, therefore, the membership nominated and elected the incumbent officers, without any opposition. The logos that were submitted were voted upon and a winner was chosen. The logo and winners name are shown elsewhere in this issue (front page). At the close of the meeting, a busy buy, sell and trade session resulted in a lot of good material changing hands.

We have accomplished a great deal in our first year and I and my fellow officers will endeavor to work harder to make the N.J.E.S. bigger and better during this second year.

In closing, I want to remind everyone that annual dues will be payable soon. Please be prompt in remitting them. Thank you.

Best wishes for a pleasant summer,

Al Zaika

SPECIAL

N.J.E.S. IS HERE TO STAY - LIFE MEMBERSHIP IS NOW OPEN TO THE MEMBERSHIP AT A COST OF \$50.00. Al Zaika & Jerry Zara has shown confidence in N.J.E.S. by signing up. Now is the time to save money as your annual dues is due.

OUR 1981 CHRISTMAS ELONGATED - PEG'S IDEA.
By Jack Wilcox

Working out the idea for our 11th Christmas elongated (AVA# 940L) was easy this time, Peg came up with a design again as she did with our 1974 & 75' issues. This is why it reads PEG & JACK (have you noticed?).

Peg drew a rough sketch of a Xmas tree using our names & city plus Merry Christmas for the tree outline. She suggested a Santa in the center but I opted (and won) for "Mr. Zip". I roughed out a sketch and sent it off to the roller, Frank Brazzell in Indiana, enclosing a Mr. Zip from a stamp sheet (remember I can't draw). Frank sent back his nice art work for any changes or approval. I wrote back it is fine - will you also work out another design for me and enclosed a rough sketch.

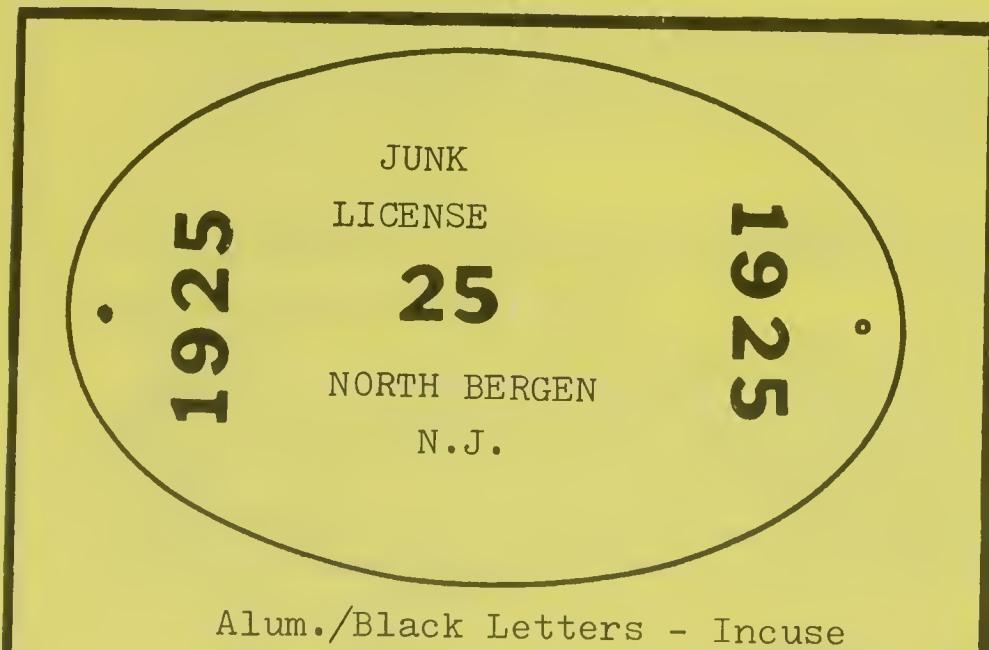

This second elongated I've designed for W.A.T.E.R. which stands for Waterfront Association To Effect Restoration - Perth Amboy, NJ. They plan to restore the Perth Amboy to Staten Island ferry slip. I plan to donate one half of the elongateds to them and sell the rest to defray my cost.

The Christmas issue is rolled vertically on 1981 pennies and reads: PEG & JACK WILCOX-NORTH BRUNSWICK, N.J. - MERRY CHRISTMAS-1981-MR. ZIP (figure) 08902.

The other design is rolled horizontally and reads: W.A.T.E.R. - ONE FERRY RIDE-1981 (ferry boat) - 1867 "MAID OF PERTH" 1905 - PERTH AMBOY, N. Rolled on 1981 pennies.

Both designs has a perforated border. I've been using the stamp perforation border since 1975. This helps to identify my designs. It is fun working out our Christmas personal elongated each season and really June and July isn't to early to begin.

EDITORS NOTE: Special to NJES members - Both coins now available for \$1.00 plus a SASE. Write to Jack & Peg for them.

When I showed my wife this tag she said "It fits you to a tee" NOW you have a License to collect all that Junk. Some women just don't appreciate these beautiful Exonumia Items.

PRESIDENTS REPORT.

A Life Membership fee of \$50. was proposed and approved at the last meeting of the Executive Board. Members who already have paid their renewal dues of \$5.00, can now become Life Members by paying an additional \$45. to Secretary-Treasurer Zara. As of this date, nine members have demonstrated confidence in our Society by subscribing to Life Membership. Continued inflated costs will most likely lead to an increase in future membership fees, so take advantage of this low fee now and save a few bucks.

Your Society is in the process of building up a comprehensive library and would appreciate any donations. Any books, catalogues, etc., related to exonumia can be sent to Corresponding Secretary Tilgman, or turned over to any of the officers. A report from our Librarian list of publications available and details for borrowing will be published in future edition of the Jerseyana.

"JERSEY DEVIL" LOGO A SECOND CHOICE - BUT MY FAVORITE

By Jack Wilcox

When the contest for a logo for our newly formed NJES began I wrote to editor Gary explaining I can't draw but thought a "JERSEY DEVIL" would make a nice center figure theme. I enclosed the Smithville postcard of the Jersey Devil and said this is my idea for a logo design.

Gary wrote back that Archie Black had worked out one. Archie did a bang up job using a line drawing of a Jersey Devil different from mine. This was a very attractive logo and caused a recount at the final voting at our meeting in Cherry Hill. It only lost out by four votes. The logo that won is very nice, congratulations Carl Pannicke.

I decided to try designing my Jersey Devil idea and surprise the NJES members with a member elongated coin. The T.E.C. organization issues a member elongated with a different version of the TEC OWL each year. Perhaps this "surprise will start a trend with our NJES membership.

Using Archie's style I zeroxed the postcard and carefully cut out the figure pasting it on my rough layout sketch. The FB by the right leg denotes the roller - Frank Brazzell.

Each member will receive one for there is more than enough to go around (250 rolled on 1981 pennies). I might add to those wishing to make a key ring with the coin - carefully drill a hole at top using a 5/64 drill then put in a ring to attach a chain.

This article will appear in the next JERSEYana and will help explain how your free member elongated (although a second) becomes a first. I also hope it has been a pleasant surprise. My favorite is now yours to have.

Sincerely,

Jack Wilcox

Jack, I know many of the members & officers will thank you in their own way. (Being editor I can put it in print) IT WAS ONE HELL OF A NICE THING TO DO for the club.

"THANKS" very much,

Gary

On my recent trip to N.H. I picked up this interesting "GOOD FOR", Two - state (NJ & CONN.), Sports, & Rain Check item. It was in a junk box for 25¢. It is 44mm with a Red background & Black letters. It is similar to a Pin-back button but it didn't have a pin in it nor looked like one was used.

?????????????????????

In the T.A.M.S. Journal (August 1969 No. 4) Damia Francis listed a token from the BRIGHTON HOTEL. It was attributed to Atlantic City.

Since then a "5" & "25" token has shown up from this hotel. Damia has been unable to prove these tokens came from the BRIGHTON HOTEL in Atlantic City. (Nor another collector)

In my collection I have an old wood type two-hand noise maker (used to make noise at parties). On one side it has THE LAUREL HOUSE, LAKEWOOD, NJ & HOTEL BRIGHTON, LONG BEACH, NY on the other.

To further complicate matters I have just picked up a 1942 menu from the BRIGHTON HOTEL in LONG BRANCH, NJ.

The secret may lie in the way the Hotel is listed on the token as being from NY or NJ - HOTEL BRIGHTON or BRIGHTON HOTEL.

PRESIDENTS REPORT

The Jersey Devil elongated cent that everyone received was created and donated by member, Jack Wilcox. In addition to the cent, Jack also had elongated dimes made up, which he presented to all our officers. Many thanks Jack, for this generous and delightful gesture.

The regional meeting at the Ocean County Coin Club Show was very well attended. I didn't expect many members to be on hand and was very surprised and gratified to see so many of you present. The show was a splendid affair, as usual, with quite a bit of exonumia available, plus some great exhibits. Don't miss the next show.

Sec.-Treas. Zara informed me that membership renewals are coming in at a slow pace. If you haven't renewed your membership, please do so without further delay. Thank you.

Best regards and wishes to you all for a bountiful and an enjoyable Thanksgiving Day.

OLDEST KEY TAG ?????

Member Walter Stevenson of Matawan - sent in a photo of a key tag dated AUG. 12TH, 1870. It is from the Washington Hotel in Hightstown, NJ.

I have seen this type of tag with dates in the 1890's but never that old.

If any member has any info on the hotel or E. HUGHES please let Walter know.

JOHN ENGEL,
MERCHANT TAILOR,

GENTS' FURNISHING GOODS,

FASHIONABLE HATS and CAPS, &c.,

No. 52 First Street, ELIZABETHPORT, N.J.

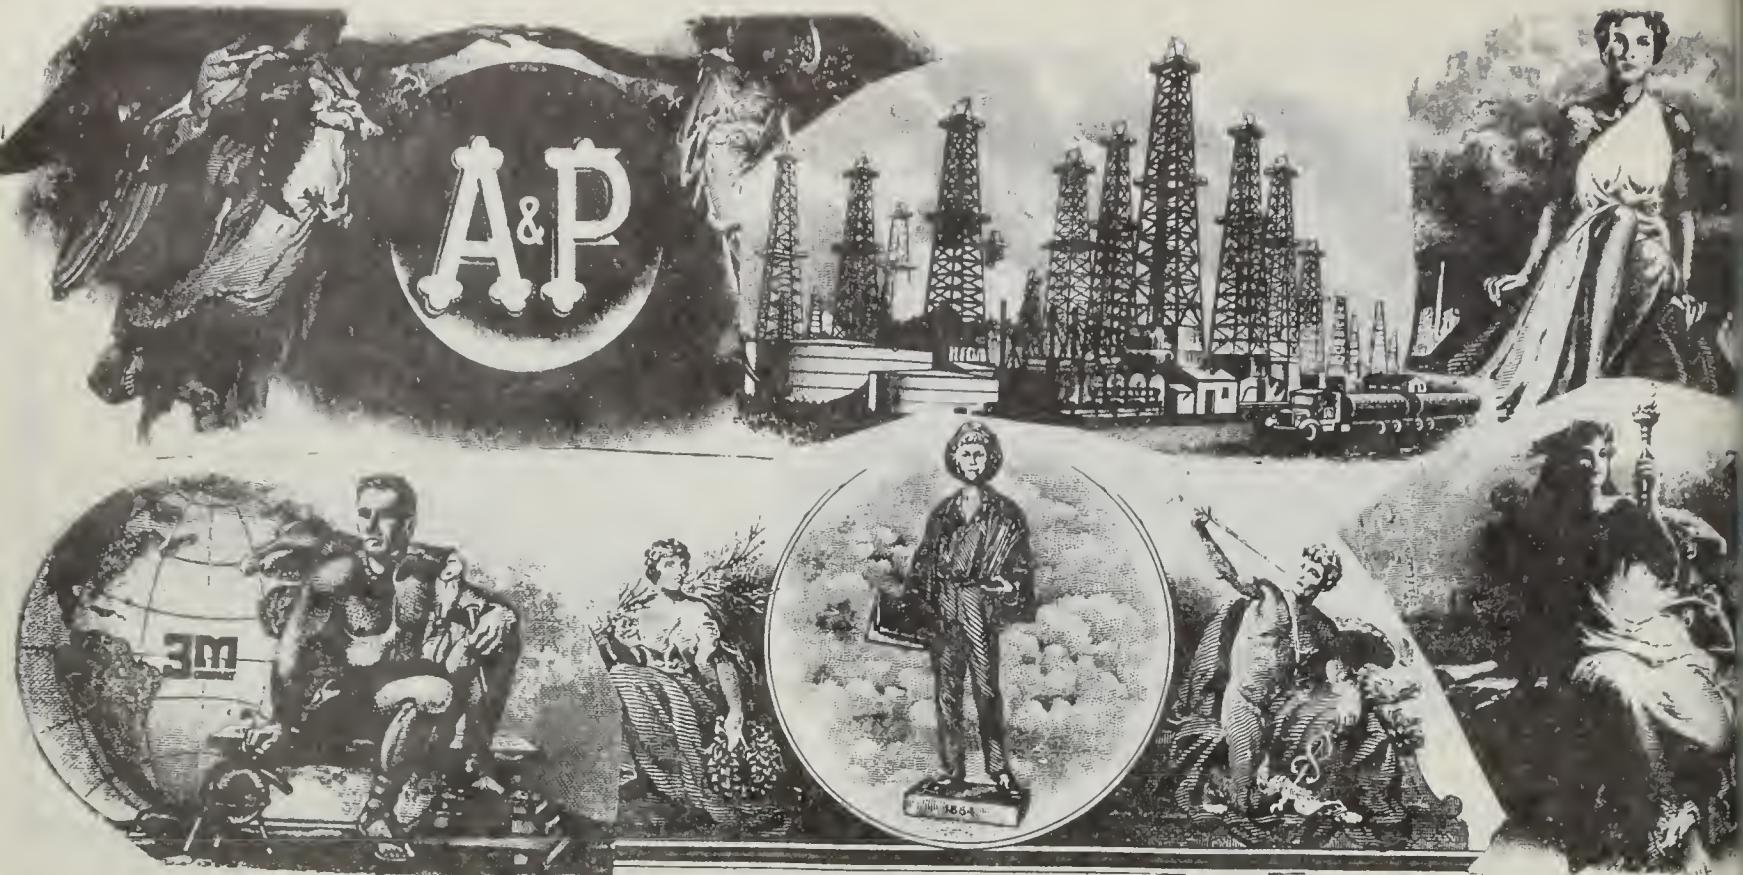

"Mr. Engel was, at the time of his death, a member of St. Michael's (Roman Catholic) Church, of which he was one of the founders and builders." (The church, the first German Catholic Church in Union County, published a centennial brochure in 1952 in which Engel was prominently mentioned.) "He was also one of the founders of both St. Mary's and St. Patrick's Churches, and assisted materially in the erection of both."

"As a business man, Mr. Engel was known to be fair dealing, honest and shrewd; as a citizen he was respected and honored. He was one of the leading German-Americans of this city."

There is little to add to this excellent account, except that Engel remained at 52 First Street through 1868, then moved several times to various locations within Elizabeth. Also that, according to his 1876 advertisement, he sold overalls at 90¢ a pair to "the Mechanic, Merchant and Laborer."

The Engel token, like those of several other New Jersey merchants, was struck by William H. Bridgens of New York City.

David Gladfelter had written an article on the NJ Civil War Tokens which was published in the journal of the Civil War Token Society. The above is a reprint on the Elizabethport token from his article.

FLEA MARKET DEALER'S STORY CONFIRMED.
by Jack Wilcox

Early this spring when the flea market season started I had luck and picked up a "GOOD FOR" token that reads: LEW TENDLER'S/STEAK HOUSE/ATLANTIC CITY/NEW JERSEY. Reverse reads - GOOD FOR ONE/ON THE HOUSE/RAIN/CHECK. 30mm, brass.

The dealer told me Lew Tendler was a boxer and also had a restaurant in Philadelphia, he heard. Feeling he had no reason to "put me on" for his price was fair (\$2.) my curiosity roused I decided to try checking on my own.

Meantime a collector friend happened to mention that he had fought in Atlantic City in his youth. I asked if he ever heard of LEW TENDLER. His reply - (quote): "LEW TENDLER" was a very prominent fighter. He was left-handed and was known for his punching ability. He fought Bennie Leonard for the Lightweight Championship of the World. During the fight he stunned Leonard with a vicious left. Leonard dazed grabbed Lew in a clinch, murmuring "if that is the hardest you can hit you're in real trouble." It took all the confidence out of Lew and Leonard won.

In Peter Heller's book "IN THIS CORNER" other fights of Lew are listed. Guessing - I'd say this token was used in the late 20's or early 30's. Perhaps the PA. collectors knows of a Lew Tendler token from his Phila restaurant.
